04/19/2008

A photograph showing the interior of a wooden prayer hall under construction. The walls and ceiling are made of vertical wooden studs. A large opening in the center wall leads to another room where a ladder is leaning against a wall. A small window is visible in the wall to the left of the main opening. The floor is made of wooden joists.

Masjid First Floor Lobby

A photograph showing the interior of a building under construction or renovation. The walls are made of vertical wooden studs. On the left, there is an open doorway leading to a room with a checkered floor. To the right, a set of wooden stairs leads up to another level. A window is visible above the stairs. The overall lighting is dim.

Masjid Second Floor Lobby View from Hall

A photograph showing the interior of a large, traditional-style hall. The ceiling is made of dark wood planks. The walls are also made of wood. In the background, there is a large arched window. On the right side, there are several smaller windows. The floor is made of tiles. There are some chairs and a table in the foreground.
